

## MACEDONIAN MEDICAL ASSOCIATION PEDIATRIC ASSOCIATION OF MACEDONIA

Dear colleagues and friends,

Pediatric association of Macedonia and University of Macedonia, Pediatric Clinic, Department of Pediatric Neurology, Turkish International Cooperation Administration, Turkish Child Neurology Foundation, Nacettepe University, Department of Pediatric Neurology has an honor to invite you on a Second meeting of pediatric neurologist of the region that will take part in Ohrid 08-10.10.2009, in hotel Slavija and Belvedere.

We expect over 40 lectures from eminent European pediatric neurologist. We are hoping that the program, especially educative séances will be of special interest for all Macedonian neurologist, and for other medical practitioners that are thinly connected with pediatric neurology practice.

We invite you to take part in this manifestation.

We are apologizing for the late announcement that happened because of the latte agreement that we have done with TICA.

It is verry important to have your attendens on this meeting. It is necceary to have your confirmattion and the thitle of your abstract as soon as possible in order to start the organization procedures.

**The main topics are:** Epileptic surgery, Video-EEG monitoring, neuromuscular diseases, Neuroimaging, Neurological manifestations in systemic diseases, Cerebral palsy, Optic neuritis in childhood.

*President of Macedonian Pediatric association  
Prof. Dr. Lj. Nikolovski*

*President of the organizing comity  
MD, PhD. Filip Duma,  
Dr. Meral Topcu*

For your child safety
